Road Report:

Installed pipes and headwalls

Cleaned ditches and filled potholes with cold patch throughout the month

Move Flex Mat headwall blocks material to Ridge Road

Attended the dirt and Gravel Update meeting

Removed multiple big trees from roadways

Swept all Tar and Chipped roads

Submitted Dirt and Gravel applications for Cooley Road and South Hill Road

Installed Whiskey Lane sign on Ridge Rd.

Filled the Tar Buggy from Vestal Asphalt

The Board agreed to use the tar buggy for requested dust control on driveways for the same pricing as stated in the advertisement for the extra dust for residents.

Still need to obtain Beaver's signature on a consent form regarding the Bonin Road Project. As a last resort, there is a secondary plan to work around that if Beaver doesn't sign.

All Bills on hand were paid.

The board reviewed and signed the agreement with Herrick Vol. Fire Dept.

Butler Surveying sent us the official survey map of the dump site, resulting in it being 1.21 acres.

Chad and Jeff met the resident with waterflow concerns on Tabernacle Road. No action is needed at this time, the resident decided to leave everything as is.

Jeff Robbins share that it appears that someone is taking care of the abandoned trailer on 467. This matter is tabled at this time.

The following bids came in throughout the month, all being Costar pricing.

Suit Kote, AEP/EDP for \$2.08 a gallon

Midland Asphalt, EDP for \$1.80 a gallon
